President's Remarks

Another successful carving show is behind us. Many people contributed to the success of the show, too many to list completely in this note. I want to take this opportunity to thank all of you for making the show a success. Special mention to Everett Koontz for putting it all together, Donna Miller for a great job pulling the dinner together (good cake!), Ray Weekly for concise accounting, Kathy Dalton and Pat Dorr for their work on awards, Bob Fisher and Laurie Ladd for selling Raffle tickets and setting up the raffle items. Thanks to Dave Disselbrett, for his contest which was great fun and for playing auctioneer for the evening's auction. There were many others I cannot name. THANKS TO ALL OF YOU.

2017 Club Show Carving Contest

The 2017 Club show has come to an end. The show was well attended and a good time was had by all. Thank you to all the participants, especially the volunteers who helped to keep the show running so well.

Once again Dave Disselbrett handed out blanks at the start of the show and asked everyone to use their imagination to carve something unique from the blank. There were two categories of winner, painted and unpainted carving. The winners in each respective category were Janice Besing for her bear ornament and Jeff Harness for his beast. Well done to all who submitted a carving, they all were great. Runner ups were Chuck Ayres, Donna Miller, Denis Miller, and Barbara Millikan.
